

Keil Chapel Graveyard Gazetteer

Introduction

The following document provides a review of the individual grave markers of the Keil Chapel graveyard including size, position, orientation, material used and in some cases transcriptions of inscriptions. Locations of the stones are provided in the map below. The numbers in bold correspond to the grave numbers on the map. (Cargill) appears with a number it refers to those inscriptions also recorded during another survey by David C. Cargill. This document pulls together the evidence gathered by Neil Malcom. Unless otherwise stated all photographs featured have been provided by Neil Malcom. Grave Yard Areas were assigned by Kate Philips and the work was edited by Fiona Isobel Watson.
