

Things I learnt at
Archaeology Scotland's
Jacobites in Stirling Project 2015

by pupils from St. Ninians, Newton,
St. Mary's and Dunblane Primary
Schools

*"The deeper down the further into history
we go" - Callum & Joseph, age 9*

*"I learnt how to use a metal
detector" - Esther, age 6*

*"How to dig in a trench -
you need a special
technique" Dugald, age 10*

*"I learned how to do proper
archaeology" - Ailis, age 9*

*"That there is a building under the play
park and how to sieve" - Joe & Ruariadh,
age 9*

*"We were standing on
history" - Callum & Struan,
age 8 & 9*

*"I learnt that a girl threw oil
at the Duke of Cumberland"
- Murdo, age 9*
